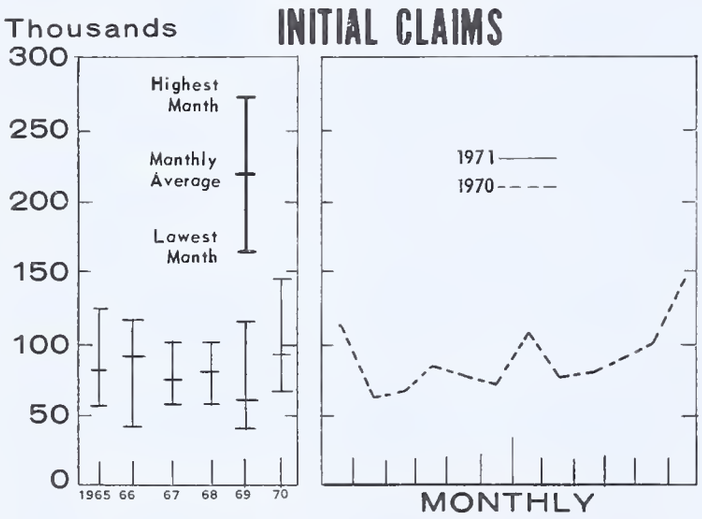
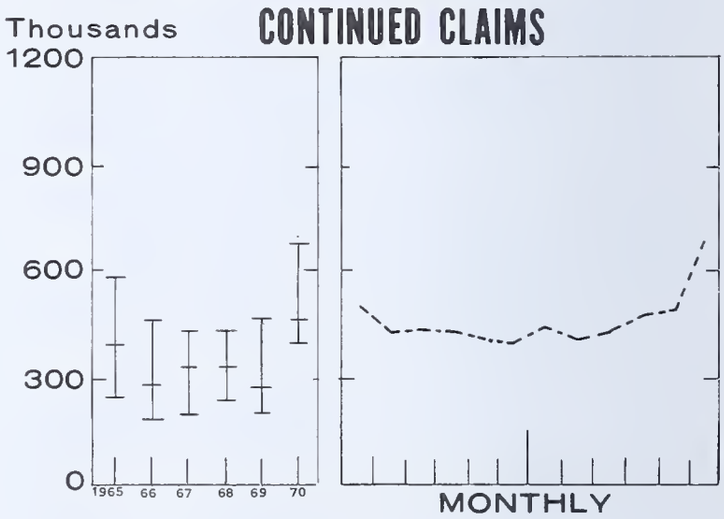
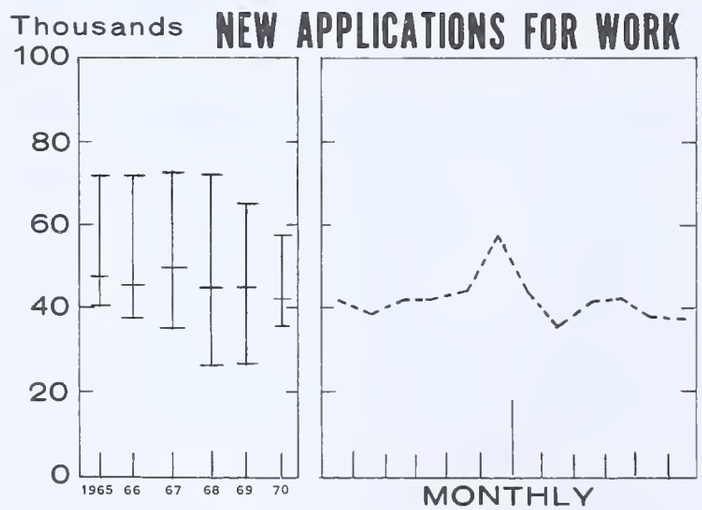
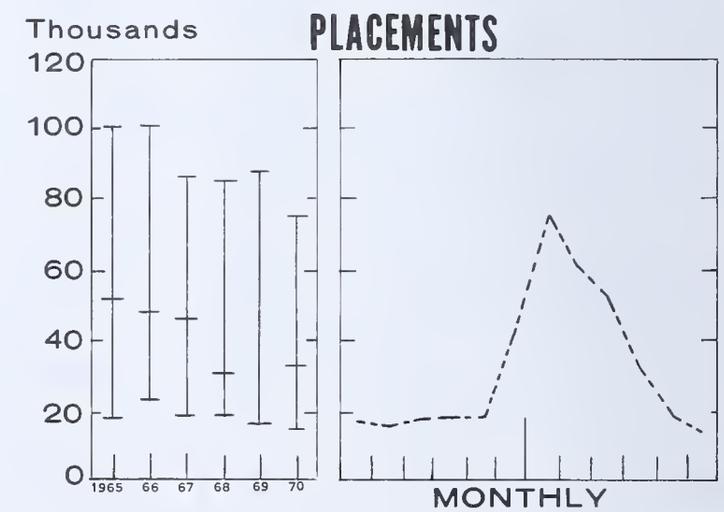
ACTIVITIES IN LOCAL OFFICES 1965 TO DATE









Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

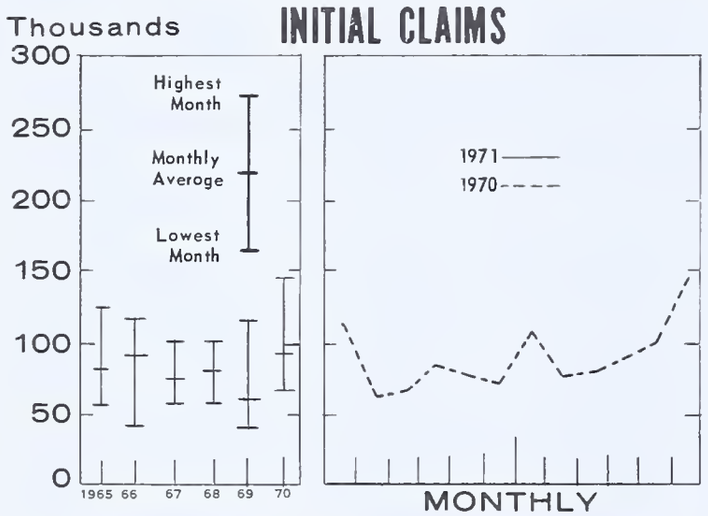
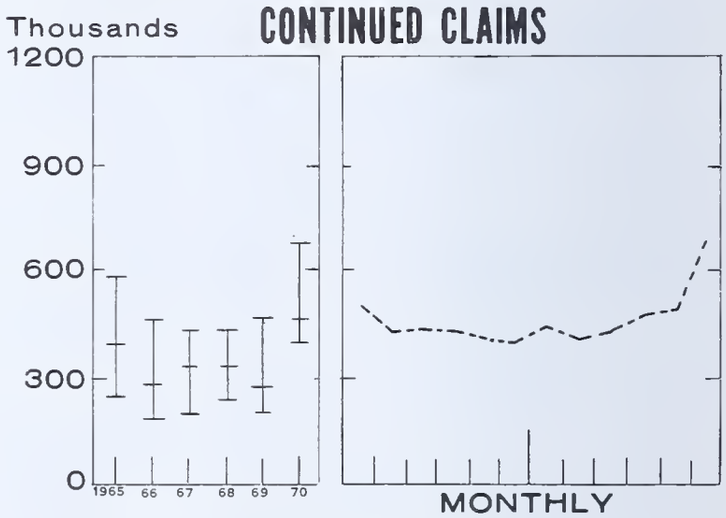
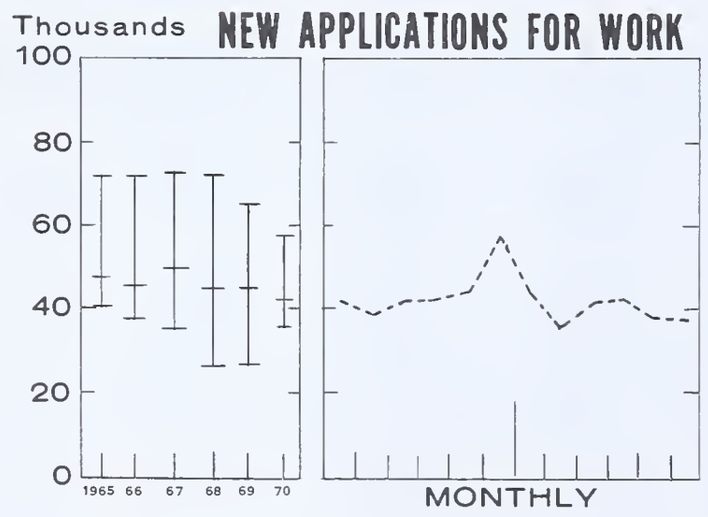
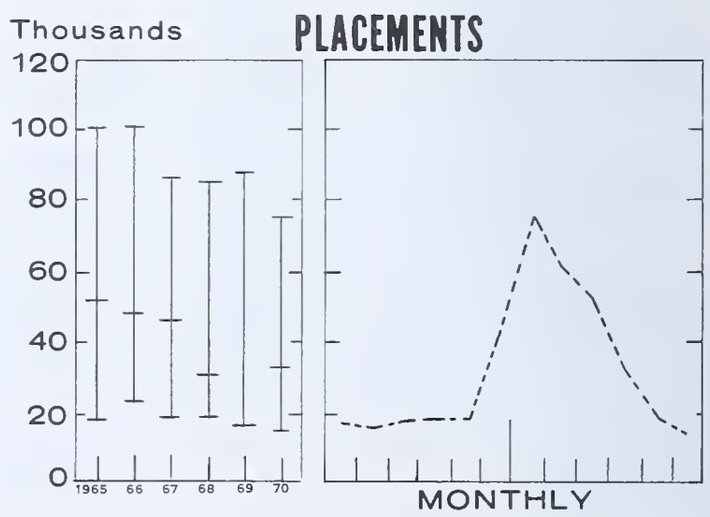
ACTIVITIES IN LOCAL OFFICES 1965 TO DATE









Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

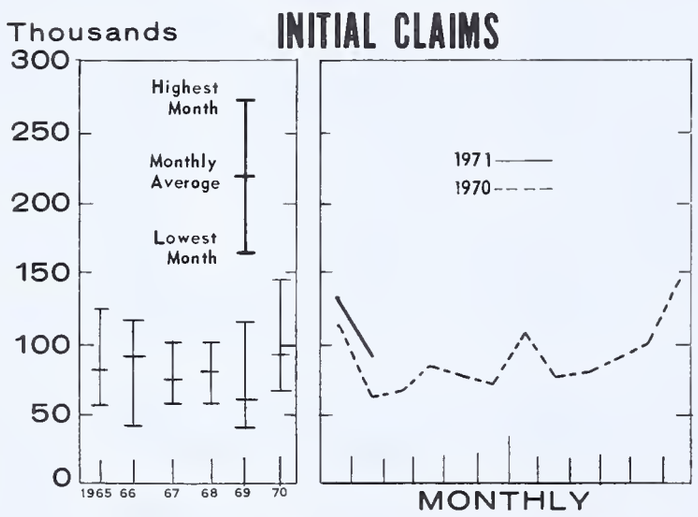
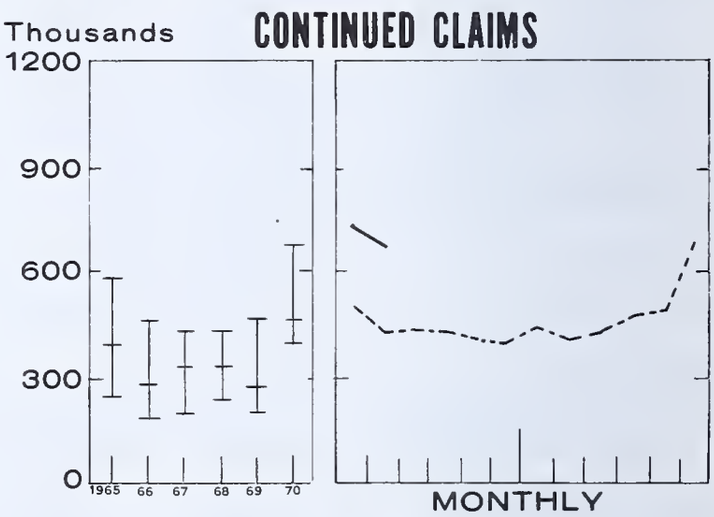
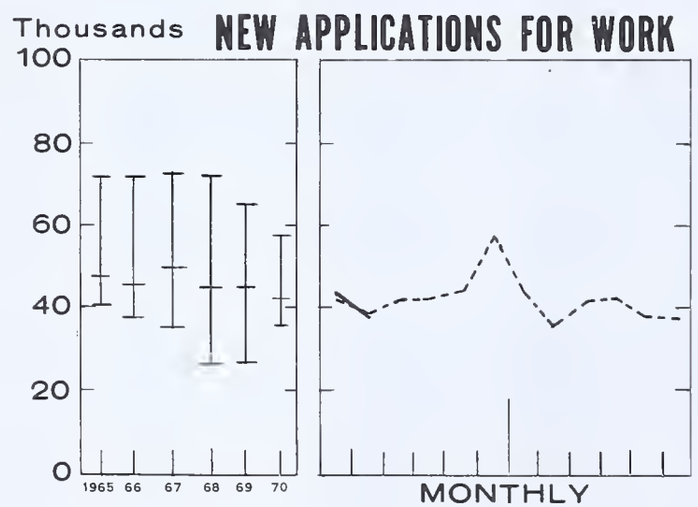
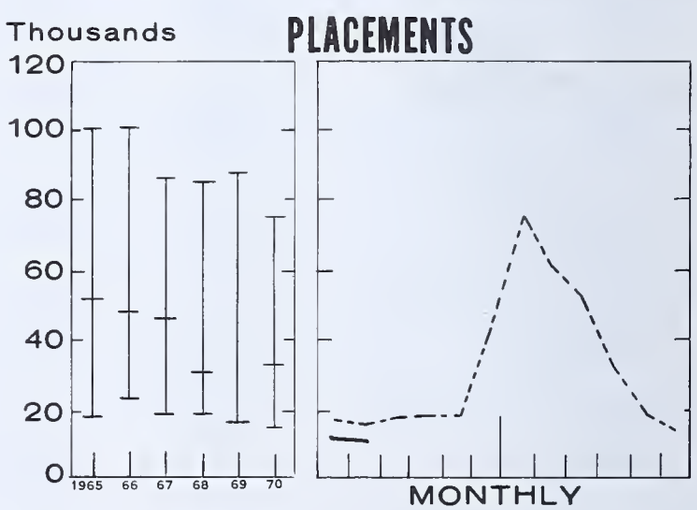
ACTIVITIES IN LOCAL OFFICES 1965 TO DATE









Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1965 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1966 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1966 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1966 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1967 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1967 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1967 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1967 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1967 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1968 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1968 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.

ACTIVITIES IN LOCAL OFFICES 1968 TO DATE

Tables and charts on these pages include the principal statistics of current significance relating to the operation of the employment service and unemployment compensation programs. The data concerning the various activities of the Bureau are derived from periodic reports collected from the offices of the Pennsylvania State Employment Service and the various divisions responsible for the administration of the Pennsylvania U.C. Law.

Employment Security Statistics will be sent without charge to interested employer, labor organizations, civic groups, libraries, colleges, government officials, newspapers, radio and television stations, and individuals. Requests for inclusion on the mailing list, as well as all communications regarding this release, should be addressed to the Bureau of Employment Security, Harrisburg, Pa. 17121, Attention: Research and Statistics Division.
